	The AutoTouch Connect® reusable autoinjector is the device constituent part of a prescription combination product (Enbrel Mini® single-dose prefilled cartridge with AutoTouch Connect® reusable autoinjector). The AutoTouch Connect® reusable autoinjector is intended for patients with a valid Enbrel Mini® cartridge prescription only. By signing below, I acknowledge that I have written a separate valid Enbrel Mini® cartridge prescription for the patient that this AutoTouch Connect® reusable autoinjector device is intended to be used with and that my office will train this patient on the proper use of the Enbrel Mini® cartridge with AutoTouch Connect® reusable autoinjector. I acknowledge that there is no additional cost to me or the patient for the AutoTouch Connect® reusable autoinjector, and I certify and agree that I will not seek reimbursement for the AutoTouch Connect® reusable autoinjector from the patient or any third party (including payors such as Medicare or Medicaid), nor will I sell, trade or otherwise divert any AutoTouch Connect® reusable autoinjector.
